Greetings!

The weekend is just around the corner, which means that we're only days away from your official beginning as a member of the Zeal CU family. *And we are super excited!* **Mark your calendars, because as of this Saturday, August 30th, you are officially a Zeal Credit Union member.**

By this point, you will have received at least three mailed communications from the Zeal team since June with a variety of helpful information about Saturday's merger. Keep these documents for your records and feel free to refer back to them as needed.

If you missed any of the information (or could just use a refresher!), we encourage you to visit our dedicated Welcome Page by clicking the "Welcome CUA" button below. This page will give you access to all of our mailers, applicable disclosures, and a timeline of upcoming events.

PLAN AHEAD!

Please note that your current CUA Debit and/or ATM Card(s) will be de-activated at 5pm on Friday, August 29th. As your new card will be unavailable until Saturday, August 30th, **we encourage you to withdraw any funds necessary to use during this downtime** (5pm Friday through Mid-Morning Saturday).

If you haven't already, we encourage you to:

- Pre-register for Zeal's online and mobile banking. You can begin logging in and accessing your digital banking account the morning of Saturday, August 30th when the platform goes live.
- Activate and set up a PIN for your new Zeal Visa Debit or ATM Card(s). You can begin using your new card on Saturday, August 30th.

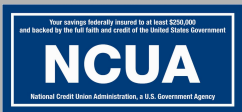

After the Saturday, August 30th integration, you can officially transact at all Zeal branch locations, along with taking advantage of everything Zeal Credit Union has to offer. Easily open additional accounts online, build your credit with a Fresh Start loan, and enjoy a newly-updated, personalized digital banking experience - all with the credit union Hardworking Americans have banked on for over 70 years.
