CHARACTER • EMPATHY • PASSION

Hello Kristen,

Here at Zeal Credit Union, we're so excited to welcome you to our community of Hardworking Americans. When Credit Union Advantage became a division of Zeal on January 1, 2025, we knew this change allowed both financial institutions to combine forces and better provide you – our membership – with new and innovative services while still offering low-rate loans, competitive savings rates, and personalized banking with a hometown feel.

At this time, please continue utilizing services through the Henry Ford Providence Southfield Hospital credit union branch location as usual. Full conversion of all systems over to Zeal Credit Union will take place at the end of August. Leading up to the final date, we will remain in contact with you and provide more detailed information on changes as they become available. As we look ahead, we're pleased to give you a sneak peek at what comes next.

Soon you can start enjoying benefits such as:

- Access to 12 additional branch locations across Southeast Michigan, with additional branches coming next year
- An upgraded digital banking platform with a cohesive feel across mobile and online
- Great low rates on loans, such as auto refinancing as low as 4.74% APR*
- Over 70 years of credit union experience with a team of talented specialists who are ready to help make your financial dreams a reality
- ...and so much more!

It is our intention to make this transition as smooth as possible. **Keep an eye on your mailbox (and inbox) for continued communications as we move toward the end of August.** In the meantime, please bookmark ZealCU.org/welcome-credit-union-advantage for frequently asked questions, copies of member communications, and a form to ask additional questions about the merger.

We can't wait to see your smiling faces at all locations!
