

MECHANICAL BREAKDOWN PROTECTION

Expensive repair bills can leave you stranded financially if you are not prepared. With Mechanical Breakdown Protection (MBP), you will have protection against the increasingly high cost of repairs and associated labor costs for mechanical and electrical vehicle failures.

MBP BENEFITS:

- Competitively priced coverage for new and used vehicles with low or no deductible
- Cost can be financed into your loan payment
- Repairs authorized at any licensed facility in the US and Canada
- Claims paid directly to the repair facility
- Additional benefits include 24/7 emergency roadside assistance, towing reimbursement, lock out service, rental car assistance and much more
- Coverage may be cancelled at any time for any reason
